RACE HISTORY

It is four decades since the Hong Kong Gold Cup was inaugurated at Sha Tin Racecourse. In that time, a host of Hong Kong racing's equine greats have carried off the Cup and today the contest is an international Group 1 race worth HK\$10 million. The victory roll features standouts such as River Verdon, Indigenous, Bullish Luck, Vengeance Of Rain, Viva Patata, Ambitious Dragon, Military Attack, Designs On Rome and Werther. Notable among the race's early winners are Silver Lining, Co-Tack, Gay Eighties and Yuno When, but the distinction of being the first ever Hong Kong Gold Cup winner will forever belong to Observatory, trained by Allan Chan and ridden by the great Pat Eddery, who took the spoils on 14 January, 1979.

That initial contest was an 1800m affair and it was not until 1993 that the race distance changed to its now familiar 2000m. One year earlier the race was granted HKG1 status and formed the second leg of the newly-established Hong Kong Triple Crown, sandwiched between the Stewards' Cup (1600m) and Champions & Chater Cup (2400m). Citi Group has sponsored the Hong Kong Gold Cup since 2008.

River Verdon won the first HKG1 edition in 1992 and proceeded to rattle off a hat-trick of Gold Cup wins - a feat unmatched by any horse to date. His 1993 triumph was the middle leg of a famous Triple Crown triumph, the first and only in Hong Kong racing history.

John Moore won his first Hong Kong Gold Cup in 1987 thanks to Wing Ho. The trainer, whose tally now stands at 12 wins, has dominated the race since 2006, winning nine of the past 13 renewals, including five in a row between 2013 and 2017. Meanwhile, Tony Cruz has the distinction of being the only man to ride and train winners of the race. Cruz won the race as a jockey aboard Co-Tack in 1983 and Makarpura Star for Moore in 1995, and has saddled five winners as a trainer, most recently Time Warp in 2018, who became the first horse to finish the Sha Tin 2000m in under two minutes. The race's winning-most riders are Darren Beadman and Basil Marcus with three wins apiece.

The race was ranked equal 29th in the IFHA's World's Top 100 G1 Races in 2018.

Previously a Limited Handicap for Class 1 horses, the race was run as a HKG1 from 1992, and as a G1 since 2015. Previous race distance was 1800m. It has been run at 2000m since 1993.

LAST YEAR'S RACE

Time Warp set a sizzling tempo to secure a track record win in the HK\$10 million G1 Citi Hong Kong Gold Cup. The strapping chestnut stopped the clock at 1m 59.97s to become the first horse to go inside two minutes over Sha Tin's 2000 metres.

It was not only a fast but also a courageous performance as Werther took the fight to the winner through the final 400 metres. Werther, ridden by Hugh Bowman, in fact edged ahead with a furlong to race but Time Warp – under Zac Purton - fought back, driving on to better the track record which had stood with Jim And Tonic (2m 00.10s) since April, 1999.

"That was quite some performance, wasn't it?" jockey Zac Purton said of the 2/1 second-favourite. "We've been racing here for a long time now and there's been a lot of good horses grace this track so it's a credit to the horse."

Time Warp's win was Purton's second in the race following Military Attack in 2013, and the fifth for trainer Tony Cruz as he landed the Cup previously with California Memory (2011), Perfect Partner (2005), Bullish Luck (2004) and Deauville (1997).

RACE HISTORY

Beauty Generation's victory in the 2018 Queen's Silver Jubilee Cup marked the fourth year that the race was run as an international Group 1 contest with prizemoney of HK\$10 million.

The Queen's Silver Jubilee Cup started out as the Queen's Silver Jubilee Challenge Cup, a 2230m handicap staged at Happy Valley in 1977 to celebrate the Silver Jubilee of Britain's Queen Elizabeth II. The distance and class of the race changed many times throughout the first 20 years until in 1997 it became a terms event over a mile. In 2000, the Queen's Silver Jubilee Cup ("Challenge" was dropped from the race title in 1989) was upgraded to HKG3 level; two years later the contest achieved HKG2 status and in 2006 it was upgraded to HKG1 level. The race distance was shortened to the current distance of 1400m in 2005. The Queen's Silver Jubilee Cup was ranked equal 42nd in the list of World's Top 100 G1s Races in 2018.

The Queen's Silver Jubilee Cup is now the second leg of the Hong Kong Speed Series, falling between the G1 Centenary Sprint Cup (first leg - 1200m) and G1 Chairman's Sprint Prize (final leg - 1200m). Able Friend produced a sensational win in this race in 2015 that placed the brilliant chestnut at the top of the LONGINES World's Best Racehorse Rankings. Other past winners of the race include standout champions Ambitious Dragon, Lucky Nine, Good Ba Ba, Electronic Unicorn and the great Silent Witness, who notched his record 17th consecutive career win in the 2005 renewal.

LAST YEAR'S RACE

Beauty Generation cemented his place at the top of Hong Kong's sprinter-miler ranks when taking the G1 Queen's Silver Jubilee Cup (1400m). By year end, he would be widely acclaimed as the world's best turf miler and officially rated so among those who specialise at the distance.

The John Moore-trained five-year-old, ridden by Zac Purton, settled outside leader Peniaphobia in the early stages of the HK\$10 million feature before assuming the lead entering the straight. The gelding was joined on his inside by the Joao Moreira-ridden Beat The Clock approaching the 100m, but Beauty Generation proved too strong and held off the favourite to score by a head.

"He was headed, but he waits for the other horses to come to him a little bit," Purton said. "He gives a bit of a kick and then he just wanders. I think I have Joao to thank, though. He snuck up on my inside, quiet as a church mouse, but as he got on level terms, he roared at his horse – but my horse kicked."

Beauty Generation was trainer John Moore's seventh Queen's Silver Jubilee Cup winner, after Helene Paragon (2017), Able Friend (2015), Happy Zero (2010), Joyful Winner (2006 & 2007) and Goggles (2002), since it became a pattern race in 2000.

Beauty Generation went on to win five of his next six starts, including four at 1600m, in 2018. So Moore's comment after this race was true and also prophetic. "He was one of our Derby horses and that's what we thought he'd be, but at the beginning of this season I approached (owner) Patrick (Kwok) and said, 'I'm going to make a miler of him'."

Purse: HK\$10,000,000 **Distance:** 1400m **Status:** Group 1
