Hong Kong International Races

The LONGINES Hong Kong International Races (HKIR) is a highlight of the international horse racing calendar. Known as the 'Turf World Championships', the second Sunday in December is the world's year-end Group 1 extravaganza, the final confluence of elite international talent channelled into four great races.

The LONGINES Hong Kong Cup (HK\$40 million), LONGINES Hong Kong Mile (HK\$36 million), LONGINES Hong Kong Sprint (HK\$26 million) and LONGINES Hong Kong Vase (HK\$24 million) are worth a combined record HK\$126 million. The event draws leading horses, jockeys, trainers and owners from around the globe to compete; the world's media descends and tens of thousands of racing fans turn out to cheer on their heroes, all creating a vibrant and exciting atmosphere at Sha Tin Racecourse.

It was on 24 January, 1988, that the Hong Kong International Races came into being. That pioneering race day was a long way removed from the epic programme we know today, but it was an important first step towards Hong Kong becoming a renowned venue for world class horseracing. Back in 1988 the one international race on the card, the first ever staged in Hong Kong, was the Hong Kong Invitation Cup, open to overseas entries from Malaysia and Singapore. The event was soon opened to all and since then the number of countries and regions that have sent horses to contest the international races in Hong Kong has increased to include Australia, Canada, Denmark, France, Germany, Great Britain, Ireland, Italy, Japan, Macau, New Zealand, South Africa, the United Arab Emirates and the United States of America.

That one race - the fore-runner to the event's main feature, the LONGINES Hong Kong Cup – has become four. And those four featured in the LONGINES World's Top 100 G1 Races of 2023. The LONGINES Hong Kong Cup and LONGINES Hong Kong Mile were ranked equal 15th and 18th, respectively. Meanwhile, the LONGINES Hong Kong Vase was ranked in equal 44th and LONGINES Hong Kong Sprint in equal 71st.

Great horses have triumphed. Asian heavyweights Silent Witness, Golden Sixty, Sacred Kingdom, Beauty Generation, Ambitious Dragon, Able Friend, Good Ba Ba, Lord Kanaloa, Eishin Preston, Maurice and A Shin Hikari have made their marks internationally with victories at HKIR, as have Australasian competitors, such as the brilliant mare Sunline; European superstars like Snow Fairy, Ouija Board, Falbrav, Fantastic Light, Alexander Goldrun, Red Cadeaux, Ramonti and Highland Reel have all enhanced their reputations. Today, more than three decades on from that first invitation race, the LONGINES Hong Kong International Races stands as one of the world's truly elite horseracing occasions.

Did You Know...

- 1 All four Hong Kong International Races (HKIR) featured in the 2023 LONGINES World's Top 100 G1 Races. The LONGINES Hong Kong Cup (2000m) and LONGINES Hong Kong Mile (1600m) were ranked in the top 20, positioned joint 15th and joint 18th, respectively. Meanwhile, the LONGINES Hong Kong Vase (2400m) and LONGINES Hong Kong Sprint (1200m) also figured prominently, ranking equal 44th and equal 71st, respectively.
- 2 HK\$8 million has been added to the four Group 1 races for 2024, with the total purse reaching HK\$126 million. With prize money of HK\$40 million – an 11.1% record increase on 2023, the LONGINES Hong Kong Cup is currently the richest race in Hong Kong and most lucrative 2000m turf race in the world. The LONGINES Hong Kong Mile has been boosted by HK\$4 million to HK\$36 million, a rise of 12.5%.
- 3 Romantic Warrior won the LONGINES Hong Kong Cup in 2022 and 2023 under James McDonald. The only other horse to win the race twice is champion grey galloper California Memory (2011 & 2012).
- 4 Trained by Francis Lui, Golden Sixty won the LONGINES Hong Kong Mile three times (2020, 2021 & 2023), joining Good Ba Ba (2007, 2008 & 2009) as the race's only other three-time winner in history.
- 5 Returning first-up after a 224-day break between runs in the 2023 LONGINES Hong Kong Mile, Golden Sixty became the first horse to secure victory after such a lengthy timespan, with Glorious Days the next-closest after prevailing following a 189-day break.
- 6 Three horses – Romantic Warrior (2022), Designs On Rome (2014) and Vengeance Of Rain (2005) – have completed the Hong Kong Derby, QEII Cup and LONGINES Hong Kong Cup treble in the same year.
- 7 With a total of 20 wins, Japan holds the record for the most triumphs by overseas visitors in HKIR history. Following closely is France, with 15 wins, including Junko's success in the LONGINES Hong Kong Vase, while Britain ranks third with 12 wins.
- 8 France secured an unmatched 11th victory in the LONGINES Hong Kong Vase with Junko (2023). Meanwhile, Hong Kong runners have achieved the highest number of victories in the other three races.
- 9 Zac Purton's victory aboard the Manfred Man-trained Lucky Sweynesse in the 2023 LONGINES Hong Kong Sprint marked his 11th HKIR win, the most in history. This was Purton's third victory in the race, following back-to-back wins with Aerovelocity in 2014 and 2016. Meanwhile, Tony Cruz is the winning-most trainer, with 11 wins across the four Group 1 contests.

Did You Know...

- 10 Able One is the oldest HKIR winner as he turned the clock back as a nine-year-old in the 2011 Hong Kong Mile. Only three eight-year-olds have succeeded – Collier Hill in the 2006 Hong Kong Vase, Aerovelocitv in the 2016 LONGINES Hong Kong Sprint and Golden Sixty in the 2023 LONGINES Hong Kong Mile.
- 11 Six jockeys, namely, Ryan Moore (2015 & 2020), Joao Moreira (2014 & 2019), Zac Purton (2016 & 2018), Douglas Whyte (2013), Felix Coetzee (2003) and Olivier Peslier (1999), have all ridden a feature race HKIR double in the same year.
- 12 Tony Cruz is the only trainer to have won a HKIR race as a jockey after partnering Colonial Chief to victory in the second Invitation Cup in January, 1989.
- 13 Tony Cruz and former trainer John Moore are the only two trainers to have won each of the four HKIR races at least once.
- 14 Japanese trainer Noriyuki Hori is the only overseas trainer to have saddled a double at the same HKIR. He achieved this unique feat with Maurice (Cup) and Satono Crown (Vase) in 2016.
- 15 Zac Purton, Gerald Mosse, Joao Moreira and Ryan Moore are the only four jockeys to have won each of the four HKIR contests at least once.
- 16 Lord Kanaloa holds the record for the widest winning margin at the HKIR - five lengths in the 2013 Sprint. Romantic Warrior holds second by romping in by four and a half lengths in the 2022 LONGINES Hong Kong Cup.
- 17 The shortest-priced victors in the event's history are Silent Witness, Golden Sixty, and Lucky Sweynesse, who all started at 1.3 odds for the Hong Kong Sprint (2003 & 2004), LONGINES Hong Kong Mile (2020 & 2021), and LONGINES Hong Kong Sprint (2023), respectively. In contrast, New Zealand's Grey Invader holds the record for the longest-priced winner in HKIR history, triumphing in the Hong Kong Cup at odds of 71/1 in 1989.
- 18 Hong Kong runners took all four G1 events at a single HKIR for the first time in 2018, thanks for the victories of Glorious Forever (Cup), Beauty Generation (Mile), Mr Stunning (Sprint) and Exultant (Vase).
- 19 Eight Northern Hemisphere three-year-olds have triumphed, yet not one of that age has ever won the Sprint: (Mogul, 2020 Vase; Admire Mars, 2019 Mile; Highland Reel, 2015 Vase; Snow Fairy, 2010 Cup; Daryakana, 2009 Vase; Alexander Goldrun, 2004 Cup; Vallee Enchantee, 2003 Vase; Additional Risk, 1991 Bowl).

LONGINES HONG KONG CUP

Race History

LONGINES Hong Kong Cup

The LONGINES Hong Kong Cup, now the jurisdiction's richest race, is the cornerstone of the LONGINES Hong Kong International Races. The 2000-metre event is the original - the race that launched what is nowadays Hong Kong's biggest international sporting event and one of the world's most prestigious horseracing occasions.

The Cup has a storied history. Champions from across the globe have their names etched on the honour roll: Fantastic Light, Falbrav, Alexander Goldrun, Vengeance Of Rain, Pride, Ramonti, Vision D'Etat and Snow Fairy stand out.

Last year, Romantic Warrior represented Hong Kong to defend his crown and win the LONGINES Hong Kong Cup for the second time. Following the success of Hong Kong's favourite California Memory, who defeated world-class rivals to triumph in 2011 and 2012, Romantic Warrior became the second two-time winner of the race.

Japan has won eight editions of the LONGINES Hong Kong Cup. Loves Only You's victory in 2021 followed the gutsy performances of Normcore in 2020 and Win Bright in 2019, the imperious win of Maurice in 2016 who secured his third G1 victory at Sha Tin in the space of 12 months, as well as the stunning front-running victory of A Shin Hikari under Yutaka Take in 2015.

Back in January, 1988, the race's initial incarnation took place at Sha Tin Racecourse: an 1800m race open to raiders from Singapore and Malaysia and billed as the Hong Kong Invitation Cup. Flying Dancer prevailed for leading local trainer Brian Kan and jockey Bartie Leisher. A year later, Australian and New Zealand horses were added to the list of invitees, and 1989 saw two editions as the event shifted from a January date to its now firmly-established December slot in the international calendar. The only exception since then came when the 1992 races were postponed until April 1993 because of an equine virus, which forced the temporary suspension of racing in Hong Kong.

In December 1993, the race attained international Group 3 status, was opened to all-comers and was renamed the Hong Kong International Cup. The following year, the Cup was upgraded to international Group 2 status. The big breakthrough came in 1999 when the Hong Kong International Cup was renamed the Hong Kong Cup and became the first Hong Kong race to be designated an international Group 1. The race distance was extended to 2000 metres and France's Jim And Tonic triumphed.

LONGINES entered a partnership with the Hong Kong Jockey Club ahead of the 2012 LONGINES Hong Kong International Races. The total prize money of the Cup was increased to HK\$40 million in 2024. It ranked equal 15th in the World's Top 100 G1 Races in 2023.

2023 LONGINES Hong Kong Cup

Romantic Warrior put himself in the pantheon of Hong Kong greats, producing a huge effort to hold off Luxembourg and Hishi Iguazu in a heart-stopping climax to the 2023 G1 LONGINES Hong Kong Cup (2000m) at Sha Tin.

Just 43 days after a historic win in Australia's G1 W.S. Cox Plate (2040m) at Moonee Valley, Romantic Warrior looked to have burned off his rivals with a burst of acceleration at the 400-metre mark, before answering jockey James McDonald's every call as the race came to the boil deep inside the final 200m.

A jubilant McDonald said: "I think he's the toughest racehorse I've ever sat on and his courage, his will to win, is just something that I've never felt before.

"I've ridden some fantastic racehorses - unbelievable ones - and he's right up there. To come back from a Cox Plate, I thought was going to be a ginormous task. Even though it was a small margin, I think he's come through it with flying colours."

Romantic Warrior got the perfect draft into the race just off the pace set by Money Catcher, though McDonald admitted that Ryan Moore kicking Luxembourg into the race with 600 metres to run had meant he needed to draw on his superstar partner's deep reserves of class and courage much earlier than was ideal.

And McDonald was candid in his assessment of the mood in the Romantic Warrior camp ahead of the race.

"It was probably the most nervous I've ever been riding the horse," said McDonald. "Everything's been pretty straightforward but there's always that unknown, coming back from Australia after a really tough run in the Cox Plate (and a) tough run in the Turnbull. I'm incredibly proud of him and humbled to be associated with a horse like that.

"For him to come here and do what he did in the Hong Kong Cup for a second time after all those hurdles he's overcome, it's one of my proudest moments on him. No matter how he was in trackwork, it's not easy at all," said Shum. "We're lucky that Romantic Warrior is a real warrior."

Owner Peter Lau has been rewarded for his courage in travelling the horse to Australia and now winning the most important all-age race in Hong Kong for a second time, while trainer Danny Shum emerges from the victory with his reputation further enhanced. Luxembourg, Hishi Iguazu and Straight Arron played their full part in pushing Romantic Warrior to the limit.

A quartet of brave horses fought out the finish of the LONGINES Hong Kong Cup. And when going got tough, it was a real warrior that prevailed.

LONGINES HONG KONG MILE

Race History

LONGINES Hong Kong Mile

The LONGINES Hong Kong Mile was inaugurated in 1991 to mark Hong Kong's staging of that year's Asian Racing Conference and so has the distinction of being the second of Hong Kong's international races. However, it was not known as the LONGINES Hong Kong Mile at that time; today's LONGINES Hong Kong Mile in fact started out as the Hong Kong Invitation Bowl, staged over 1400m. Ireland's Additional Risk won that first edition for trainer Dermot Weld and jockey Mick Kinane. In 1994, the year Soviet Line prevailed for UK trainer Sir Michael Stoute, the race attained international Group 3 status. The race was then upgraded to a Group 2 in 1995 when Monopolize claimed the first of his two victories for Australian handler Grahame Begg. The John Hills-trained Dockside won the race the first time it was held in its now familiar guise, the Hong Kong Mile, in 1999. It was upgraded to International Group 1 status when New Zealand super mare Sunline took the race in 2000.

Many mile luminaries such as the recently retired Golden Sixty, Beauty Generation, Maurice, Able Friend, Good Ba Ba, Ambitious Dragon, Eishin Preston and Sunline have established the LONGINES Hong Kong Mile as one of the world's elite mile contests over the past three decades. Golden Sixty won the G1 LONGINES Hong Kong Mile three times – in 2020, 2021 and 2023 – joining Good Ba Ba who prevailed in 2007, 2008 and 2009, as the race's only triple winners. Golden Sixty also made history as for the first time a homegrown jockey (Vincent Ho) and trainer (Francis Lui) combined at HKIR in what is now a lucrative HK\$36 million race. The race was ranked equal 18th in the World's Top 100 G1 Races in 2023.

2023 LONGINES Hong Kong Mile

Golden Sixty – the Pride of Hong Kong – landed a record-tying third 2023 G1 LONGINES Hong Kong Mile (1600m) triumph as a crowd of 65,252 people packed Sha Tin to cheer for their hometown hero.

Returning first-up after a 224-day break between runs, Golden Sixty – an eight-year-old – showed no signs of slowing down with age as jockey Vincent Ho masterfully overcame the widest of 14 barriers to prevail as 2.3 favourite in 1m 34.10s – a length and a half ahead of Voyage Bubble – while Japan’s Namur was third.

“He’s a monster. When I asked him for an effort, he lengthened like I can’t believe – he’s still got that turn of foot. It’s crazy,” Ho said.

Trained by Francis Lui, Golden Sixty joins Good Ba Ba as the race’s second three-time winner, following his victories in 2020 and 2021. Slotting in from his draw to travel wide throughout, Ho asked Golden Sixty for an effort at the 400m mark and his answer was immediate – dashing clear by nearly four lengths to produce arguably his career-best triumph.

“It’s amazing. I got the three-wide with cover, where I wanted to be and he knows his racing now. He’s never travelled keen with me, he was relaxed all of the way and then when I asked him for an effort, he just gave me 100 percent,” Ho said.

Victory is the Medaglia d’Oro gelding’s 26th at his 30th start and his 10th Group 1 – a Hong Kong record.

LONGINES HONG KONG SPRINT

Race History

LONGINES Hong Kong Sprint

The Hong Kong Jockey Club's strategy for an elite international end-of-year race day at Sha Tin Racecourse had almost reached its aim by 1999. That year saw the fourth and final international race, the Hong Kong Sprint, added to the event, and Fairy King Prawn proved a fittingly top-class first winner. Initially staged as a Listed race, the Hong Kong Sprint attained Group 3 status in 2000 and became a Group 2 one year later. In 2002, the Sprint became the last of the HKIR features to attain Group 1 status, so establishing the four-race Group 1 format we know today.

The race has a most illustrious roll of honour, featuring superstars Silent Witness and Sacred Kingdom from Hong Kong and Japan's greatest sprinter, the exceptional Lord Kanaloa. Each of that trio won the race twice, as did the Australian speedster Falvelon, Hong Kong's Aerovelocity and Mr Stunning. Beat The Clock extended the home team's winning sequence in this race to six in 2019 before Danon Smash halted the streak in 2020. However, in the last three renewals, the title has been reclaimed by Hong Kong representatives Sky Field (2021), Wellington (2022) and Lucky Sweynesse (2023).

Inaugurated as a straight 1000m contest, the race distance was upped to 1200m in 2006. LONGINES first sponsored the race in 2012 and now the race's prize money is a record HK\$26 million.

2023 LONGINES Hong Kong Sprint

Manfred Man's speedster Lucky Sweynesse surged to victory in the 2023 G1 LONGINES Hong Kong Sprint (1200m) at Sha Tin.

Momentarily it looked like Lucky Sweynesse was again in need of a big slice of luck at the top of the straight when Zac Purton had to get off heels and hook him around runners to get a clear passage up the straight but he quickly accelerated to score from the fast-finishing outsider Lucky With You in 1m 09.25s. 2022 winner Wellington finished third.

Hong Kong horses filled the first five positions with Victor The Winner fourth and Duke Wai fifth. And what a difference year makes, prevailing in the race that in 2022 saw him finish midfield as a luckless favourite.

"That's horse racing," Purton said after the win. "I had the run inside Victor The Winner but when James (McDonald) went for him, he shifted in and hampered me a little bit but he (Lucky Sweynesse) accelerated so quickly, I was able to come out across his heels and he had his chance from there – he did what he had to do. I love him."

It was Purton's 11th overall Group 1 win at the LONGINES Hong Kong International Races. It was Purton's third victory in the LONGINES Hong Kong Sprint after a pair of wins by Aerovelocity (2014 & 2016).

LONGINES HONG KONG VASE

Race History

LONGINES Hong Kong Vase

The Hong Kong Jockey Club introduced a third international race to its December programme in 1994, the 2400m Hong Kong International Vase. Red Bishop, the top-class French-trained galloper, took the inaugural prize – the first of 10 winners so far from that nation.

The Vase was upped to international Group 2 level for the 1996 renewal won by Luso, who became the first two-time winner when he returned successfully 12 months later. In 1999, in line with the renamed Hong Kong Cup and Hong Kong Mile, and the newly-initiated Hong Kong Sprint, the International Vase was renamed the Hong Kong Vase. A year later it was upgraded to Group 1 status and the Coronation Cup winner Daliapour arrived to take the spoils.

Among the winners of this prestigious contest are the outstanding English race mare Ouija Board, English St Leger hero Mastery, popular globetrotter Red Cadeaux, Dunaden, who in 2011 became the first Melbourne Cup winner to lift the Vase, local heroes Indigenous and Exultant, and Ireland's Highland Reel, the horse that gave his trainer Aidan O'Brien a first Hong Kong success in 2015 before the bay finished his career with a second victory in this race in 2017. France have won 11 times in 15 attempts, including Junko who claimed the LONGINES Hong Kong Vase under Maxime Guyon last year for trainer Andre Fabre for the third time.

LONGINES entered into a partnership with the Hong Kong Jockey Club ahead of the 2012 LONGINES Hong Kong International Races. The race's prize money is HK\$24 million.

2023 LONGINES Hong Kong Vase

Andre Fabre's reputation as an international target trainer is unsurpassed and, nine years after his last victory at Sha Tin, the 2023 G1 LONGINES Hong Kong Vase (2400m) was the Frenchman's for a third time.

It was only a month ago that Junko had made his top-level breakthrough in the G1 Grosser Preis von Bayern (2400m) in very different conditions on soft ground against three rivals but the gelding, produced by the famed breeding operation of Alain and Gerard Wertheimer, eventually scored with similar conviction.

Settled at the rear of a modest pace set by La City Blanche, jockey Maxime Guyon had conceded first run to Ryan Moore and Warm Heart as the gallop picked up turning for home.

Junko came wide of rivals on the bend and tore past Warm Heart and Japanese runner Zeffiro with 200m remaining. Guyon punched the air in celebration as he crossed the line, a length in hand over Zeffiro with Moore's mount fading to third, two and a quarter lengths in arrears.

"I'm really happy because it's time to win this race (again). Nine years ago, it was Flintshire," said Guyon. "We didn't know before the race if he would like this ground or not because normally he prefers the soft ground but today in Hong Kong the ground was good. We had a good race, we have not a lot of runners so I'm not too far back and just after the last turn, he has a good turn of foot.

"He's very relaxed and of course the pace is not way fast but the most important thing with the horse is if he's breathing really good and everything is okay. That's why I relaxed with him because he he's very relaxed."

Fabre himself had been on the end of three seconds in the Vase since 2014, with Flintshire again a year later, Talismanic in 2017 and Botanik in 2022.

LONGINES INTERNATIONAL JOCKEYS' CHAMPIONSHIP

LONGINES International Jockeys' Championship

Star names comprise the list of LONGINES International Jockeys' Championship (IJC) winners. Frankie Dettori, Olivier Peslier, Douglas Whyte, Ryan Moore, Damien Oliver, Christophe Soumillon, Yutaka Take, Hugh Bowman, Joao Moreira and Zac Purton are among some of the world's very best jockeys from the past two decades to have triumphed since the contest began back in 1998. Many more have tried but failed.

Peslier carried off the spoils in the first edition as he defeated a world-class collection of riders with a tally that placed him 10 points clear of fellow Frenchman Gerald Mosse. Points mean prizes in the LONGINES IJC: A four-race challenge on the Wednesday preceding the LONGINES Hong Kong International Races, it is regarded as one of the world's premier jockeys' challenges, and certainly the most lucrative. With 12 points for a win, six points for a second, and four for a third placing, the rider with the most points on the board after the four heats takes the lion's share of the HK\$1,000,000 purse - HK\$600,000 of it, to be precise.

The LONGINES IJC is one of the world's most prestigious jockey challenges in the world and the most lucrative for the winning rider. The four races are together worth HK\$7.5 million in prize money, along with total bonus awards of HK\$1 million in bonus money for the three most successful riders.

In addition, trainers will again have an added incentive to target their horses at the LONGINES IJC races this year thanks to a bonus scheme which will pay HK\$300,000, HK\$125,000 and HK\$75,000 respectively, to the three handlers who achieve the highest number of points across the four races, using the same scale as employed for the jockeys.

Frankie Dettori, Douglas Whyte and Zac Purton are three-time IJC winners, claiming the title in the four-race series at Happy Valley to add further lustre to an already phenomenal resume. The contest has thrice ended in a tie. In 2004, Christophe Soumillon and Yutaka Take could not be split with 16 points apiece, and in 2009 Christophe Lemaire, Ryan Moore and Johnny Murtagh shared the title, each earning 12 points each. In 2022, Tom Marquand and Silvestre de Sousa shared honours, each scoring 12 points.
